106 years ago a company was founded on the premise that an automobile should be affordable to everyone.

As we celebrate Ford Motor Company's 106th Anniversary, we are proud to be a Ford dealership, and proud to be part of this community!

At a time when Americans are looking for stability in the marketplace, I want to personally assure you that Archie Cochrane Motors is a strong, secure leader in the automotive industry, and in Montana.

Our financing resources, including Ford Motor Credit, are solid. With the sheer volume and longevity of Archie Cochrane Motors, our lenders highly value our relationship, and go to great lengths for our customers. We continue to finance new and used car buyers as easily as before, *including* great leasing programs.

Please share this news with others you know who may be concerned about their current or future automobile purchase or lease options. Archie Cochrane Motors has been the market leader since 1945, and we'll continue to serve you for years to come.

If you have any questions or concerns, please don't hesitate to call us at 406.656.1100. We look forward to seeing you soon.

Sincerely,

Garry Brayko
Owner
