

# XZILON FACTS

**GUARANTEES VEHICLE KEEPS LOOKING NEW  
CARRIES 5 YEAR WARRANTY (NEW) 3 YEAR WARRANTY  
(USED)**

**INCREASE RESALE VALUE**

**NO APPEARANCE MAINTENANCE REQUIRED**

**PAINT PROTECTED FROM ROAD SALT, ACID RAIN, FADING,  
TREE SAP, BIRD DROPPINGS**

**PROTECTS CHROME, MOLDINGS, WHEELS**

**KEEPS FABRIC FROM STAINING AND WEARING**

**KEEPS LEATHER LOOKING NEW**

**XZILON EXTERIOR PROTECTION ENDORSED AND UTILIZED  
IN THE AVIATION INDUSTRY**

**ONLY AVAILABLE PRODUCT FOR AUTOMOTIVE INDUSTRY  
THAT PASSED TOUGH AVIATION STANDARDS**

**HEAT RESISTANT TO 450 DEGREES**

**WITHSTAND 1400 HOURS SALT SPRAY CHAMBER**

# XZILON™

## Molecular Adhesion

### Now Available For Automotive Use!

Xzilon was developed for the aviation industry utilizing "Molecular Adhesion" to extend paint life and prevent corrosion on polished and unpolished bare metal surfaces.

Xzilon meets all engineering performance and application requirements for:

- Boeing Aviation
- Douglas Aircraft Co.
- Airbus

Xzilon has passed the following testing by Boeing Aviation:

- 1400 Hours of Salt Spray Chamber Exposure
- UV Block/UV30
- Heat Resistance to 450 Degrees

Xzilon is not Silicon or Teflon® based - it is truly revolutionary!

#### VINYL & LEATHER PROTECTOR

- ✓ High quality Mink Oil keeps Vinyl & Leather soft and supple
- ✓ Protects against fading, cracking, & weather aging
- ✓ Unlike other protectors, Xzilon leaves no oily or greasy residue
- ✓ Leather will retain its natural luster & sheen

#### FABRIC & CARPET PROTECTOR

- ✓ Protects against water & oil-based spills
- ✓ Increases tensile strength of the fabric to add years of life
- ✓ Will not alter fabric appearance or texture
- ✓ Fabric will clean easier, look better & last longer

#### EXTERIOR PROTECTANT

- ✓ Reduces frequency of car washing
- ✓ Filters harmful ultraviolet rays
- ✓ Resists bird droppings and graffiti
- ✓ Resists water spotting
- ✓ Resists industrial fallout
- ✓ Resists rust spots
- ✓ Resists acid rain
- ✓ Resists tree sap
- ✓ Reduces brake dust on wheels
- ✓ Resists oxidation and fading
